Number of Years in Early
Education

Ms. Kelly Patterson strives for success and excellence in her early learning program by demonstrating a strong knowledge of best practices to support the education of each individual child. She believes whole-heartedly in the children's learning potential and demonstrates this through meaningful interactions that offer opportunities in both planned and spontaneous activities. As a family home provider, Ms. Kelly encourages the families to volunteer and take an active role in their child's development by promoting a safe and fun environment. As the newly elected president of the South Florida Family Child Care Home Association, she uses her platform to encourage and inspire others by sharing her knowledge and professionalism in the family home provider network.

**Quality Counts would like to recognize and thank
