Ms. Ana Maria Padron is a devoted teacher who demonstrates her love for children by working hard and always looking for new ways to improve her practices and interactions. From her classroom environment to her engaging curriculum, the way each lesson plan is carefully structured and implemented has shown not only in the results of the VPK assessments, but in the relationship with the parents who respect and trust her with the quality of education their children receive. Her passion for early childhood education is further emphasized in her relationship with her colleagues as they support one another in continuous quality improvement work. Ms. Ana continues furthering her education at Miami Dade College in order to complete her Bachelor's Degree, making her an inspiring example for others to follow.

**Quality Counts would like to recognize and thank Mrs. Ana Maria Padron for her commitment to quality early childhood education!**
